

Product Environmental Declaration

Product: CTS-Rx-PT1000

Product weights (gram)

Total: 50 Electronics: 11 Cover: 39 Cabling: 0 Metal: 0

Major component materials in the product:

Cover: PC/ABS
Printed circuit board: FR4
Electronic components: RoHS compliant
Cabling: n/a
Terminals: Polyamide and nickel plated copper alloy
Fasteners (screws, washers etc.): n/a
Other metal parts: n/a

Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.
There is no documented information on energy consumption for the manufacturing process.

Environmental impact during operation:

There are no known environmental effects of the product in use.

Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE directive. The product is marked with "Wheelie Bin" logo to indicate this requirement.
