

## Environmental Declaration

**Product Type:** UB-4 & UB-6 Bases

**Product weight:** 58 grams

### Major component materials in the product:

Plastic material – ABS

Terminals – Nickel plated Brass.

Fasteners (Screws & Washers etc.) – Bright Zinc plated Steel or Nickel plated Brass.

### Environmental impact during manufacturing:

There are no harmful chemicals used in manufacturing.

There is no documented information on energy consumption for the manufacturing process.

### Environmental impact during operation:

There are no known environmental effects in the handling and use of the product.

### Recommended handling of the product at end-of-life:

The product shall be disposed of in accordance with European WEEE 2002/96/EC directive, for Waste Electrical & Electronic Equipment. The product is marked with the “Wheelie Bin” logo to indicate this requirement.

Most recycling facilities have a collection point for “WEEE” waste.

Industrial waste management companies will handle large quantities.

### Other issues:

Product is fully Compliant with RoHS Directive 2002/95/EC.
